Benefit Books Provided by ARSEBA

Benefits are a valuable part of any compensation package. State employees are offered a wide variety of benefits. These benefits are available through payroll deduction and are available on a pre-tax basis when appropriate.

This benefit book is to outline the benefits that are subsidized by the state as well as the voluntary benefits that are wholly employee paid.

Eligibility – You are eligible to participate in the benefits program if you receive a regular paycheck, meaning you are not a seasonal or contract employee and working 1,000 or more hours each year. An extra help employee whose agency has agreed to pay the State match for their coverage and is willing to be responsible for all costs for participating in the Plan.

Dependents Eligible for Coverage – In most cases, eligible dependents include:

- Your legal spouse. Spouses eligible for coverage through his or her employer are not eligible for coverage.
- Your dependent child(ren) who are under age 26
- Dependent child(ren) are defined as your or your spouse's natural or legally adopted child(ren)
- To verify eligibility of newly added dependents, you may be requested to provide supporting documentation (i.e. birth certificates, marriage certificate).

When your dependents no longer meet eligibility requirements, their coverage ends the last day of the month they become ineligible. You may be responsible for any cost for services received while your dependent was incorrectly listed as eligible.

Coverage Effective Date – Coverage is effective the first day of the month following the date of application and following your qualifying event. Note: The qualifying event is not the date of eligibility.

Qualifying Events – For qualifying events, active members have 60 days from the date of the qualifying event to enroll/drop a spouse and/or dependent to the plan. Please note, retirees have only 30 days. List of approved qualifying events:

- Marriage, divorce, legal separation
- Birth or adoption of a child
- Death of a spouse or child
- You or one of your covered dependents gain or lose other benefits coverage due to a change in employment status
- Loss of eligibility for group health coverage or health insurance coverage

Pre-tax Premiums – Most products available to the state employees are available on a pre-tax basis. Pre-tax premiums increase your take-home pay because your insurance premiums will be deducted from your salary before taxes are calculated. For products such as health, dental, and vision insurance, you will automatically be in a pre-tax status unless you stipulate otherwise.

Below is a snapshot of benefits covered by the ARBenefits plan for each of our 2023 Arkansas State Employee plan levels. A full schedule of benefits for each plan level is available at www.transform.ar.gov.

I understand I must request such changes within 60 days of the qualifying event. On behalf of myself and anyone enrolled on or added to this form, I authorize any health care professional or entity to give the health plan/insurer or any of their designees, any and all records or information pertaining to medical history or services rendered to the health plan/insurer, for any administrative purpose, including evaluation of an application or a claim. I also authorize on behalf of health plan/insurer the use of a Social Security Number for the purpose of identification. A photocopy of this authorization will be as valid as the original. Please note that falsifying documents, misrepresenting dependent status or using other fraudulent actions to gain coverage may be criminal acts and can lead to permanent termination of coverage. ALL PORTIONS OF THE ELECTION FORM MUST BE COMPLETED OR IT WILL BE SENT BACK FOR COMPLETION PRIOR TO PROCESSING.

Social Security Numbers are required for enrollment. If you do not provide a Social Security Number for yourself or your dependents, health insurance coverage cannot be provided. Exception: A newborn's Social Security number will be accepted after enrollment but must be sent in once it is received.

You must drop all of your ineligible dependents. When your dependents no longer meet eligibility requirements, their coverage ends the last day of the month they became ineligible. You may be responsible for any cost for services received while your dependent was incorrectly listed as eligible.

If you experience a qualifying event that allows you to cancel your health insurance, you can only enroll again during the next annual open enrollment period or if you have a qualifying status change event. Qualifying status change events include marriage, birth and loss of group coverage.

You should receive plan information and ID cards in a timely manner from ARBenefits. If you do not, call ARBenefits at 1-877-815-1017 (When you hear the recording, Just Press One).

Your elections will remain in effect for the remainder of the calendar year unless you experience a qualifying status change event, as defined by the ARBenefits Summary Plan Description.

Your effective date of coverage will be the first of the month following date of application and following your qualifying event. Note: The qualifying event is not the date of eligibility.

Pre-tax premiums increase your take-home pay because your insurance premiums will be deducted from your salary before taxes are calculated. You will automatically be in a pre-tax status unless you otherwise notify your payroll clerk.

Members who turn age 65 or become eligible for Medicare must send in a copy of their Medicare card to ARBenefits.

Supporting documentation is required for proof of dependent eligibility. For changes being made due to a qualifying event, documented proof a qualifying event has occurred is also required such as a Certificate of Credible Coverage (COCC). EXCLUSIONS AND LIMITATIONS

Losses Not Covered Under Your Life Insurance Benefit:

Your life insurance benefit does not cover any losses where death is caused by, contributed to by, or results from suicide occurring within 24 months after a covered person's initial effective date of insurance or after the date any increases or additional insurance becomes effective, whether sane or insane.

This applies to any amounts of insurance for which you pay all or part of the premium.

This applies to any amount subject to evidence of insurability requirements and we approve the evidence of insurability form and the amount you applied for at that time.

You will be given credit for any period of time applied toward the satisfaction of the suicide provision, if any, under your Employer's prior group life insurance plan.

Losses Not Covered Under the AD&D Insurance Benefit:

Your AD&D benefit does not cover any losses that are caused by, contributed to by, or resulting from:

- an attempt to commit or commission of suicide or intentional self-inflicted injury while sane or insane;
- active participation in a riot;
- an attempt to commit or commission of a felony or engaging in an illegal occupation;
- voluntary use of any drugs, poisonous substance, intoxicant or narcotic, except any drugs taken as prescribed by a physician and taken as prescribed. Accidental exposure to any poisonous substance will not be excluded;
- the presence of that percentage of alcohol in the covered person's blood which raises a presumption that the covered person was under the influence of alcohol. The blood-alcohol level which raises this presumption is governed by the laws of the state in which the accident occurred;
- disease of the body, mental infirmity or diagnostic, medical or surgical treatment;
- being exposed to war or any act of war, declared or undeclared, or serving in the armed forces of any country or authority. Losses as a result of acts of terrorism or nuclear release committed by individuals or groups will not be excluded from coverage unless the covered person who suffered the loss committed the act of terrorism or nuclear release; or
- investigational or experimental procedures, surgery, or drugs, including complications arising from having experimental or investigative procedures, surgeries, or drugs.

Termination

Coverage terminates:

- if the group policy ends;
- the date you no longer meet eligibility requirements;
- the end of the grace period if we do not receive the required premium for your insurance; or
- the date the next premium is due after you ask us to end your coverage.

If you are no longer eligible for coverage as an active employee, you may be eligible to port your group term life and AD&D coverage, or you may convert your group term life and AD&D coverage to an individual life insurance policy. Premiums may be higher than those paid by active employees.

Evidence of Insurability means a statement of medical history which we will use to determine if an applicant is approved for coverage. Blood profiles and medical examinations, if applicable, will be provided at our expense. Evidence of Insurability is required for any amount of life insurance over the maximum guaranteed issue amount.

Premium will vary based on plan options and face amount selected.

The effective date of your coverage will be delayed if you are not a member of an eligible class on the coverage effective date. The coverage will be effective on the date that you return to status as a member of an eligible class. If the certificate covers your spouse and/or dependent children, their coverage will be effective on the date that you return to status as a member of an eligible class.

FSA/HSA

Flexible Spending Accounts (FSA) and Health Savings Accounts (HSA) are a benefit available to state of Arkansas employees as a way to set aside pre-tax money for medical expenses not covered by insurance.

Three types of FSAs are available: Health Care, Limited-Purpose and Dependent Care.

Healthcare FSAs provide tax savings on your out-of-pocket health expenses. A Limited Purpose FSA allows you to pay for dental and vision expenses until your deductible.

While employees cannot contribute to a Health Care FSA and an HSA at the same time, employees with an HSA can establish a Limited-Purpose FSA. Limited-Purpose FSAs can be used for dental and vision expenses only.

Employees can use their account funds on expenses such as: dental work, eye glasses and contact lenses, prescription drugs, and physical therapy just to name a few.

A Dependent Care FSA is a pre-tax benefit that allows you to pay for eligible dependent care services such as preschool, before/after school programs, child and elder day care. Once your account is funded, you can use the balance to be reimbursed for eligible expenses.

If you have questions regarding FSA/HSA, you can contact EBD Member Services at 1-877-815-1017 x1 and by e-mail at AskEBD@dfa.arkansas.gov.

	Health Savings Account (HSA)	**Flexible Spending Account (FSA)**
Eligibility	Must be enrolled in an ARBenefits High-Deductible Health Plan (Classic or Basic).	No eligibility requirements. You can have an FSA on any plan level, and even if you do not have ARBenefits coverage.
Annual contribution limits	2023 Limits: Individual: $3,850 Family: $7,750 *Persons aged 55 and older may contribute an additional $1,000 annually above those limits.*	2023 Limits: Health and Limited: $3,050 Dependent Care: $5,000
Changing contribution amount	Employees can adjust their contribution amount anytime during the year.	Contributions can only be adjusted at open enrollment, or with a qualifying change in employment or family status.
Re-Enrollment	Employees do not have to re-enroll their HSA every year.	Employees must submit an election form every year during open enrollment to establish their FSA.
Rollover of funds	Unused funds roll over year-to-year.	Employees can rollover up to $610 year-to-year. Any amount unused over $610 will be forfeited after the annual run-out period.
When can I use funds?	You must have the funds in your account in order to use them.	The amount you elect to contribute is available for you to use at the start of the year with the exception of Dependent Care FSA.
Connection to employer	You can take your HSA with you as you change employers. You own your account.	You will lose your FSA funds when you term employment with the State.
State contribution	The State of Arkansas contributes $25 for individuals and $50 for families per month with an HSA. **The state contribution counts towards your annual maximum contribution limit.**	No state contribution

Let's talk about the future

Have you thought about how to begin building the income you'll need for the future?

While your pension and Social Security offer you a good start, they may not be enough to fund the lifestyle you want in retirement. The AR Diamond Plan – your employer's 457 Plan – is here to help you generate the income you may need by offering you an easy, tax-deferred way to save. The AR Diamond Plan provides you with additional flexibility to save and invest for your future. To help you get started in the Plan, you'll be automatically enrolled into the AR Diamond Plan on your first day of employment. You'll be enrolled saving 3% each pay period on a pre-tax basis, and be invested in a Retirement Target Date Fund based on your birth year, assuming a retirement date of age 65, unless you choose to decline enrollment by logging in to the AR Diamond Plan website at **myplan.voya.com** or by calling the Plan Information Line at **800-905-1833** before your first payroll is processed.

Once you're enrolled, you can choose to not participate (or opt out) in the Plan at any time. If you opt out within the first 90 days after your first payroll is processed, you can request a refund of any contributions made into the Plan. If you choose to opt out on day 91 and beyond, normal qualifying 457 distribution rules will apply.

What's in it for you – key benefits of the AR Diamond Plan

- **Pre-tax savings** – you may pay less in taxes today
- **Roth savings** – you pay taxes today but not in retirement*
- **Tax-deferred investing** – your employer's savings plan grows tax deferred. Contributions and any earnings are tax-deferred and will be taxed as ordinary income when distributed.
- **A choice of investments** – so you can create a portfolio that's right for you
- **Qualifying withdrawals** – should you need to take a withdrawal before retirement
- **24/7 account access** – by smartphone or computer
- **Automatic enrollment** – easy enrollment starting at a 3% pre-tax contribution rate

To learn more about the Plan, go to **myplan.voya.com**.

* For Roth contributions and earnings to be eligible for tax-free withdrawals, your initial Roth deposit must have been in your account for at least five years and you must be at least age 59½ (or in the event of your disability or your death)

Your contributions

You can save up to the annual IRS contribution limit on a pre-tax basis, after-tax with Roth contributions or a combination of both. If you are age 50 or older in any given year or within three years of your Normal Retirement Age, you can make additional catch-up contributions. You can change your contribution rate at any time. Please refer to **www.voya.com/IRSlimits** for current limitations.

Arkansas State Employees

Long Term Disability Insurance

How does it work?

This coverage provides a monthly benefit if you have a covered illness or injury and you can't work for a few months — or even longer.

You're generally considered disabled if you're unable to do important parts of your job — and your income suffers as a result.

Why is this coverage so valuable?

You can use the money however you choose. It can help you pay for your rent or mortgage, groceries, out-of-pocket medical expenses and more.

Consider your expenses

What else is included?

Survivor Benefit

If you die while you've been disabled and receiving benefits for at least 180 days, your family could get a benefit equal to 3 months of your gross disability payment.

Waiver of premium

If you're disabled and receiving benefit payments, Unum waives your cost until you return to work.

Work-life balance Employee Assistance Program

Get access to professional help for a range of personal and work-related issues, including counselor referrals, financial planning and legal support.

Worldwide emergency travel assistance

One phone call gets you and your family immediate help anywhere in the world, as long as you're traveling 100 or more miles from home. However, a spouse traveling on business for his or her employer is not covered.

How much coverage can I get?

You*	You are eligible for coverage if you are an active employee in the United States working a minimum of 20 hours per week. Choose to cover 60%, 60% or 50% of your monthly income, up to a maximum payment of $5,000. The monthly benefit may be reduced or offset by other sources of income. *See the Legal Disclosures for more information.

If you didn't get coverage when you were first eligible, you'll have to answer health questions now. If you're newly eligible, you may not have to answer health questions. If you already have coverage, you can increase it up to the maximum available. You may have to answer health questions. New coverage may be subject to pre-existing condition limitations.

Elimination period (EP)

Your elimination period is 180 days. This is the number of days that must pass after a covered accident or illness before you can begin to receive benefits.

Exclusions and limitations

Active employee

You are considered in active employment, if on the day you apply for coverage, you are being paid regularly by your employer for the required minimum hours each week and you are performing the material and substantial duties of your regular occupation.

Delayed effective date of coverage

Insurance coverage will be delayed if you are not an active employee because of an injury, sickness, temporary layoff, or leave of absence on the date that insurance would otherwise become effective.

Benefit duration (BD)

The duration of your benefit payments is based on your age when your disability occurs. Your Long Term Disability benefits are payable while you continue to meet the definition of disability. Please refer to your plan document for the duration of benefits under this policy.

Definition of disability

You are considered disabled when Unum determines that:

- You are limited from performing the material and substantial duties of your regular occupation due to sickness or injury; and
- You have a 20% or more loss of indexed monthly earnings due to the same sickness or injury

After 24 months, you are considered disabled when Unum determines that due to the same sickness or injury, you are unable to perform the duties of any gainful occupation for which you are reasonably fitted by education, training or experience.
You must be under the regular care of a physician in order to be considered disabled.
The loss of a professional or occupational license or certification does not, in itself, constitute disability.
"Substantial and material acts" means the important tasks, functions and operations that are generally required by employers from those engaged in your usual occupation and that cannot be reasonably omitted or modified.
Unless the policy specifies otherwise, as part of the disability claims evaluation process, Unum will evaluate your occupation based on how it is normally performed in the national economy, not how work is performed for a specific employer, at a specific location or in a specific region.

Deductible sources of income

Your disability benefit may be reduced by deductible sources of income and any earnings you have while you are disabled, including such items as group disability benefits or other amounts you receive or are entitled to receive:

- Workers' compensation or similar occupational benefit laws, including a temporary disability benefit under a workers' compensation law
- State compulsory benefit laws
- Automobile liability insurance policy
- No fault motor vehicle plan
- Third-party settlements
- Other group insurance plans
- A group plan sponsored by your employer
- Governmental retirement system
- Salary continuation or sick leave plans, if applicable
- Retirement payments
- Social Security or similar governmental programs

Exclusions and limitations

Benefits will not be paid for disabilities caused by, contributed to by, or resulting from:

- Intentionally self-inflicted injuries;
- Active participation in a riot;
- War, declared or undeclared or any act of war;
- Commission of a crime for which you have been convicted;
- Loss of professional license, occupational license or certification;

The loss of a professional or occupational license does not, in itself, constitute disability.
Unum will not pay a benefit for any period of disability during which you are incarcerated.
The lifetime cumulative maximum benefit for all disabilities due to mental illness is 24 months. Disabilities based primarily on self-reported symptoms are limited to 24 months. Only 24 months of benefits will be paid for any combination of such disabilities even if the disabilities are not continuous and/or are not related. Payments can continue beyond 24 months only if you are confined to a hospital or institution as a result of the disability.

Termination of coverage

Your coverage under the policy ends on the earliest of the following:

- The date the policy or plan is cancelled
- The date you no longer are in an eligible group
- The date your eligible group is no longer covered
- The last day of the period for which you made any required contributions
- The last day you are in active employment except as provided under the covered layoff or leave of absence provision.

Unum will provide coverage for a payable claim that occurs while you are covered under the policy or plan.

Unum's LTD contracts standardly include a provision called the Social Security Claimant Advocacy Program. With this feature, claimants can receive expert advice and assistance from us regarding their Social Security Disability claim during the application and appeal process. Social Security advocacy services are provided by GENEX Services, LLC or Brown & Brown Absence Services Group. Referral to one of our advocacy partners is determined by Unum.
Worldwide emergency travel assistance services are provided by Assist America, Inc. Work-life balance employee assistance program services are provided by HealthAdvocate. Services are available with select Unum insurance offerings. Terms and availability of service are subject to change and prior notification requirements. Service providers do not provide legal advice; please consult your attorney for guidance. Services are not valid after coverage terminates. Please contact your Unum representative for details.

This information is not intended to be a complete description of the insurance coverage available. The policy or its provisions may vary or be unavailable in some states. The policy has exclusions and limitations which may affect any benefits payable.
